ABOUT US

The AWS User Group Ahmedabad is a vibrant community of cloud enthusiasts, developers, and IT professionals dedicated to sharing knowledge and best practices around AWS.

Our group brings together professionals from diverse industries across Gujarat's tech hub, fostering collaboration through regular meetups, hands-on workshops, and technical sessions.

With a growing membership of cloud practitioners ranging from beginners to AWS-certified experts, we provide a platform for networking, learning, and staying current with the latest AWS innovations.

By sponsoring our events, you'll gain direct access to a highly engaged audience of decision-makers and technical leaders who are actively implementing cloud solutions in their organizations.
