COMMUNITY DAY

Why UpSkill?

- ❑ *Neuroplasticity*: As we learn more, our brain grows and keeps us healthy!
- ❑ *Adaptability*: Change is the only constant. Knowledge is truly power in this ever changing technology paradigm
- ❑ *Perfectionism*: is the enemy of learning. Learning is about knowing, not being perfect at it

COMMUNITY DAY

Why AWS

- ❑ Amazon Web Services (AWS) is the world's most comprehensive and broadly adopted cloud platform, offering over 200 fully featured services from data centers globally.
- ❑ Leader for 12 consecutive years in Gartner Cloud Infrastructure Magic Quadrant
- ❑ We have 2 regions in India (Mumbai and Hyderabad) to support a diverse set of usecases for our customers

COMMUNITY DAY

The availability of skilled talent is the single biggest barrier to industry transformation.

5M cloud jobs are unfilled globally.

Nearly half of workers' core skills will be disrupted within the next 4 years.

COMMUNITY DAY

The cloud makes
innovation possible,
but it's **people who
make it happen.**

Create an app with Partyrock.aws

The screenshot shows the PartyRock website in a browser. The main heading is "PartyRock" with the tagline "Everyone can build AI apps." Below this, there are several app builders listed: "Haiku Creator", "Weird Tour Guide", "Podcast Generator", and "Build your own app". A tooltip for the "App builder" is shown, stating "Generate a 5-7-5 syllable haiku poem and a visual image based on user input." The "Haiku Creator" app is highlighted, showing a "User Input" field with the text "winter". Below this, the "Generated Haiku" is displayed, along with a "Visual LLM" button and a generated image of a winter landscape. The URL at the bottom is <https://partyrock.aws/u/partyrock/AJQ4WYAS/haiku-Creator>.

AWS Activate

If you're a startup founder looking to scale your startup, this is a one-stop shop! Get upto \$100,000 in AWS activate credits towards your AWS service usage

The screenshot shows the AWS Activate website interface. At the top, the URL is aws.amazon.com/activate/. The navigation bar includes links for Products, Solutions, Pricing, Documentation, Learn, Partner Network, AWS Marketplace, Customer Enablement, Events, and Explore More. The main heading states, "It only takes a few minutes to apply to join AWS Activate:". Below this, there are three steps outlined with icons and descriptions:

- Step 1:** New to AWS? First, create a free AWS account. Have an AWS account? Skip to Step 2. (Icon: User profile with a gear)
- Step 2:** Join Activate after you've logged into your AWS account and immediately access benefits. (Icon: Document with a play button)
- Step 3:** When you're ready, apply for up to \$100,000 in AWS Activate credits and receive notification of the outcome within 7-10 days! (Icon: Document with a cursor pointing to it)

Each step has a corresponding orange button: "Create an AWS account", "Register here", and "Apply for Credits". At the bottom, there is a section for "AWS Activate Providers" with a brief description of their role.
